good news week

A fun program

The Christ Church Good News Week kids' program will run for three whole days on the 9th - 11th of July.

This program aims to introduce school aged kids to God's Son, Jesus Christ.

The action-packed and fun filled programs will include daily drama, singing, bible talks, small group time, active games, games that take some thinking and creating cool things.

All leaders are experienced and trained in child protection and all sites are suitable for children. Each age group has a program tailored to them.

Food included

Both morning tea and lunch will be provided. Unfortunately we are unable to provide for special dietary requirements, although we would be happy to serve your child special marked food items if supplied.

three fun programs

Kindergarten and Year 1

The palace will be ready, the red carpet rolled out as we find out who the king is and what he's like. We'll stay on site at Christ Church as we play games, make things, sing songs and make things as we learn about God's kingdom.

Years 2-4

He's the greatest wrestler around! Well, at least he thinks so. Come and meet The King and see if he's got the moves to be God's king. We'll walk to local ovals to play games, make cool stuff and have a great time with new friends.

Years 5 and 6

Meet The King, he's the greatest wrestler around (well he thinks so). We'll start on site at Christ Church then head off together to explore what God's king is really like. We'll travel by bus to local ovals, Putney church hall and even a day at Bicentennial Park in Homebush with your new friends. Don't miss out!
